### About the John Lewis Partnership

The Partnership is the UK's largest employee-owned business and home to our two well-loved retail brands - John Lewis & Partners and Waitrose & Partners, as well as expanding into new areas beyond retail.

We aren't an ordinary business though. The Partnership is different because everyone who works here isn't just an employee. We are Partners, with a shared responsibility for our success, and we share the rewards when we're successful.

Everything we do is powered by our unique purpose: **Working in Partnership for a happier world.** Our Purpose inspires our principles, drives our decisions and acts as our guide, so that everything we do contributes to Happier People, Happier Business and a Happier World.

### Critical purpose of the role

To assess, test and train partners, potential partners and agency drivers to the required standard. To maintain on-going training and Partner Training Records for all Transport partners. To improve drivers compliance records and improve driving style and increase telematics scores across the network.

This role requires the individual to display a high degree of flexibility and to travel to other sites around the Distribution network to meet business training requirements. There will also be a need to work various shift patterns to ensure training objectives are met and where appropriate legal compliance is maintained.

The position would suit someone who is self-motivated and resourceful. A strong desire to support others to achieve the highest standards of performance within a demanding customer led environment is also essential. Individuals should also be able to demonstrate a high level of coaching skill and provide excellent feedback. There will be a need for continuous personal development in order to maintain professional competence.

Primary Outcomes & Accountabilities	Measures of success
Identify training needs in consultation with Operational People Managers.	Telematics, compliance and PDEP scores  Customer Feedback and internal audit.

Support the creation, maintenance and delivery of training packages and SOPS that align to the training needs of the Transport department.

Deliver and record mandatory training to all Transport Partners and Agency drivers.

Support the creation and delivery of Driver Certificate of Professional Competence courses, working within the governing body guidelines.

Provide induction training, follow up support and guidance for new starters, apprentices and Warehouse to Wheels candidates.

Carry out periodic driving assessments, including those for recruitment and agency driver retention.

Share knowledge and skills to all levels within the business.

Deliver training to Branch and NDC's when the need arises

Support the development of high performing LGV Partners. Provide constructive feedback as part of a wider coaching strategy to enable Partners to reach and exceed the required standard.

Demonstrate and coach defensive driving and fuel efficiency skills.

Maintain accurate training records in accordance with our legal obligation.

Promote adherence to Partnership transport policies and procedures.

Support operational needs by putting in place measures to ensure compliance is maintained.

Network with internal and external Transport training providers.

Contribute to a safe working environment by being aware of legislative requirements of the workplace.

Deliver tool box talks on designated Safety, Compliance or training hot topics.

Carry out site visits to prepare and maintain Transport Technical Assessments.

Ensure that all Branch and Supplier maps are up to date and to a high standard of usability.

Be a subject matter expert for local road and vehicle restrictions, such as LLCS and ULEZ.

Support project and development work where required.

All mandatory training up to date

Adhere to legal requirements and JAUPT audit.

All new drivers to be fully inducted, with training completed within time scales.

All assessments completed within required timescales.

**Feedback** 

Feedback and training needs met.

ADP / Lead driver programme success.

Reduction vehicle accidents, YOY.

All Partner and Agency training records up to date.

Reduction in YOY incidents.

Improvement of the departments MPG

All SOPs and training packages maintained and up to date.

Personal Absence >3%
